Kansas City Caregivers to be Honored During National Certified Nursing Assistants Week

***Kansas City Home Care, Inc. to present awards at Friday, June 16th
Caregiver Appreciation Event***

What: Kansas City caregivers will be honored at a caregiver appreciation event to be held in recognition of National Certified Nursing Assistants Week. The event will recognize outstanding professional home care providers from Kansas City Home Care and “Caregiver of the Year 2006”. The event is open to the public and many community organizations will be present at the event.

When: Friday, June 16th 2006 from 11:00 am – 2:00 pm.

Where: Swope Park, Kansas City, Missouri, Shelter #8.

Who: The event is sponsored by Kansas City Home Care, Inc. and will be hosted by Kelly Scanlon, publisher of Kansas City Small Business Monthly.

About Kansas City Home Care, Inc.

Kansas City Home Care, Inc. is a leading provider of home care services in the Kansas City Metropolitan area. Founded in 1989, the agency offers a wide range of services to help maintain client independence, including licensed nurses, certified nursing assistants, home health aides and geriatric care managers. Kansas City Home Care is a charter member of the National Private Duty Association, the first and oldest trade association for providers of non-medical home care in the United States. For more information visit www.kchomecare.com or call (913) 341-4800 (Kansas) or (816) 333-9100 (Missouri).
